## **Professional Services**

### **BASIC SERVICES OF THE FUNERAL DIRECTOR & STAFF**

**\$ 1395.**

This is the basic fee charged to each family we serve for our professional expertise in assisting them. It includes, but is not limited to, a proportionate share of the taxes, licenses, utilities and business expense to serve the public in a professional manner. Also included in this charge is the consultation with the family, clerical and administrative duties, preparation and filing of the required certificate of death and permit of disposition. Coordination of clergy, cemetery, crematory or common carrier services. Assistance with insurance papers, union benefits, social security and veterans documents. Planning the funeral or memorial service. There will be an additional charge for the direction and supervision of each service selected or required. This fee for our basic services will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for packaged arrangements, direct cremation, immediate burial, forwarding & receiving remains.

### **EMBALMING**

**\$ 300.**

Embalming provides for the temporary preservation of the deceased. Embalming is performed by a California licensed embalmer and usually enhances the appearance of the deceased. Except in certain cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement which does not require you to pay for it such as direct cremation or immediate burial.

## Merchandise

We offer many different styles and prices of caskets and alternative cremation containers from which to select. Since many caskets that appear similar in appearance may differ greatly in materials, quality and construction we offer the following information in order to assist you in making your selection.

**Protective:** These caskets are designed by the manufacturer to resist the entrance of air, water and other elements. They may be constructed of various gauges or weights of steel, copper or bronze.  
THERE IS NO SCIENTIFIC OR OTHER EVIDENCE THAT ANY CASKET WITH A SEALING DEVICE WILL PRESERVE HUMAN REMAINS.

**Non-Protective:** These caskets are not designed by the manufacturer to resist the entrance of air, water or other outside elements. They may be constructed of metal, wood or wood by products covered by cloth.

**Disclaimer of Warranty:** The only warranty of the casket or any other merchandise sold in connection with the services we provide is the express written warranty, if any, granted by the manufacturer. THIS FUNERAL HOME MAKES NO WARRANTY, EXPRESS OR IMPLIED, INCLUDING AN IMPLIED WARRANTY OF MERCHANTABILITY AND AN IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE CASKET AND/OR OUTER BURIAL CONTAINER.

A complete casket price list will be provided by the funeral home
